MAKING FUN TOYS  
AND MAKING TOYS FUN

## About the Founder

United Agencies is one of the pioneers in the Indian Toy Industry located in Delhi. The company was founded by Mr. Shanti Lal Jain and since, has dedicated his life to providing high quality, playful toys for the youngest population of India. Since the inception of the company nearly 66 years ago, United Agencies have been striving towards a brighter future not only for the company, but also for the entire Indian Toy Industry. While heading United Agencies and taking it towards the pinnacle of the Toy industry, 'Mr. Chairman' worked hard for the upliftment of numerous manufacturers to develop and manufacture quality toys for children that are enjoyable and have educational and play benefits along with good value for the purchasers. He has always admired and valued his talented manufacturers, as due to their dedication and hard work United Agencies continues to grow and thrive as toy industry's expert. He continues to guide us to remain at the pinnacle.

## Our Vision

Following the tradition of keeping pace with the changing scenario and utilizing the first mover advantage; as set by our Chairman, United Agencies have developed a mobile application that showcases the entire updated catalogue of the Company to date, following the path of Digital India.

## Our Mission

Keeping up with the vision of our founder we would like to take UA to the World Platform, the way we are in PAN India. We look to not only add products to our current existing product categories, but also look to increase our product category and diversify into various other children based products.

Our mission is **"MAKING FUN TOYS AND MAKING TOYS FUN"** for children. Opportunities don't happen, we create them at UA.
